**Inactive Ingredients:** Corn Starch, Emulsifier, Glycerine, Magnesium Stearate, Marine Lipid Concentrates, Molasses Flavor, Natural Liver Flavor, Propylene Glycol, Sucrose, Vegetable Oil.

**Cautions:** Safe use in pregnant animals or animals intended for breeding has not been proven. If lameness worsens, discontinue use and contact your veterinarian. Administer during or after the animal has eaten to reduce incidence of gastrointestinal upset.

**Satisfaction guaranteed when purchased from a licensed veterinarian.**

### Product Facts (continued)

**For use in dogs only.** Recommended as a joint supplement. PhycoX<sup>®</sup> MAX Joint Supplement is an advanced joint health formula with triple the phycocyanin, as compared to the original PhycoX<sup>®</sup> Joint Supplement. Also contains a more comprehensive blend of antioxidants, omega-3 fatty acids, and other beneficial ingredients to help maintain normal healthy cartilage and joint mobility.
