Formaldehyde 37%

FORMALDEHYDE 37%

Solution

For use as an aid in preserving tissue samples.

For laboratory use.

For veterinary use only.

Keep out of reach of children and pets.

Solution: 40% by volume U.S.P. analysis by weight.

Contains:

Active Ingredients: Formaldehyde: 37%

Inactive Ingredients: Water & Methanol (Methanol 11.5 to 12.5%): 63%

Storage: Store at above 50°F.

Warning: Causes irritation to skin, eyes, nose and throat. Avoid prolonged or repeated contact with skin. Avoid breathing vapor. Use with adequate ventilation.

First Aid:

Antidote: If inhaled, remove to fresh air. Flush eyes and skin with plenty of water for at least 15 minutes. Call a physician. If not breathing, give artificial respiration, preferably mouth to mouth. If breathing is difficult, give oxygen. Induce vomiting. Never administer anything by mouth to an unconscious person.

Antidote: If swallowed, give a tablespoon of salt in a glass of warm water and repeat until vomit fluid is clear. Give milk, or white of egg beaten with water.

Net Contents: 1 Gallon

V1 601039

NAC No.: 13150361

Rev. 02/18
