Cautions: Safe use in pregnant animals or animals intended for breeding has not been proven. Consult with your veterinarian before using this product in animals: with clotting disorders; being treated with anticoagulant medications; with diabetes or any metabolic disorder causing hyperglycemia; with a history of urinary tract stones. If lameness worsens, discontinue use and contact your veterinarian. Administer during or after the animal has eaten to reduce incidence of gastrointestinal upset.

Hylox™ is a veterinary strength nutritional supplement with health benefits. Recommended to support joint mobility and healthy bone structure. Provides enhanced antioxidant protection and Omega-3 Fatty Acids.

Hylox™ Soft Chews to be given orally for administration. After 6 weeks, the dosage can be reduced as positive results are seen. Since each pet's body is different, results may take longer in some pets.

DO NOT USE IF SAFETY SEAL IS BROKEN. Keep container in a cool dry, place. Keep out of reach of children.

For use in dogs only.
