VETERICYN PLUS® UTILITY SPRAY

Innovacyn

Livestock Line

VETERINARIAN RECOMMENDED

Proven Effective with No Withdrawal Period

Wound Management, Teat Spray, Dermal Cleanser

Cuts | Sores | Burns | Skin irritations

- Safe & non-toxic
- Works on all animal skin types
- Non-irritating & non-sensitizing
- Safe if licked or ingested
- No alcohol, steroids or antibiotics

Indications: For the cleaning and debriding of wounds, cuts, abrasions, skin irritations, skin ulcers, post surgical incision sites, burns, and rashes on external teat ends. Safe for use on all animal species.

Directions for Use: Move excess hair from wound area. Clip if necessary. Adjust spray nozzle. Saturate the affected area. If dressing is required, saturate dressing with Vetericyn Plus Utility Spray at each dressing change. Repeat 3-4 times per day until wound is healed. Faster healing is achieved when wounds are cleaned and maintained moist. For teat application, use spray mode for better coverage. Saturate teat ends with Vetericyn Plus Utility Spray and repeat at each milking or as needed. No rinsing necessary.

Use Precautions: For external use only, not for injection. Always consult with a veterinarian for systemic conditions. Discontinue use if irritation develops and contact your veterinarian. **For animal use only, not for human use.** Keep out of reach of children. Safe if licked by animal. Will not stain and contains no harsh chemicals or dyes.

Storage: Store at room temperature. Thaw and shake contents before use if frozen. Do not use after expiration date. After use, seal or close dispenser.

Stability: See Expiration Date

Disposal: No special disposal requirements. Vetericyn is environmentally friendly.

Ingredients: Active: Hypochlorous Acid (0.0120%) **Inactive:** Electrolyzed Water, Sodium Chloride, Phosphates, Sodium Hypochlorite

Innovacyn products are manufactured under strict quality guidelines to ISO 9001, ISO 13485 and FDA QSR.
